Feedback Wanted: Alumni Digital Platform Survey (Deadline Extended)

The Yale School of Management offers a variety of digital platforms for its alumni community to interact and engage with each other and the school. As we review the future and efficiency of our current platforms, your input is needed. Please take a few minutes to take a short survey and provide us with essential feedback about your experiences and preferences.

All alumni who participate in the survey and provide their email address will be randomly placed in a raffle to win a SOM branded weekend bag. Five alumni will be chosen and sent the bag after the survey closes on April 7, 2020.
