‘Pioneering’ Alumnae Convene at Yale SOM

A trio of distinguished Yale School of Management alumnae came together on November 18 to reflect on the changing career landscape for professional women and on the pivotal role that Yale SOM played in shaping their own career paths.

Alumni Volunteer Opportunities Available

Alumni support the school and the alumni community by volunteering in a wide range of important roles. For Yale SOM alumni looking to offer their time or talents, there is a volunteer opportunity to fit every schedule.
Applications Open for New Master’s in Asset Management

The one-year Master's Degree in Asset Management program will prepare recent college graduates for a career in the asset management industry. The program will provide students with a deep understanding of the application of data science and quantitative techniques to investment decisions, while emphasizing fiduciary responsibility, ethics, and investment performance.

**Networking Hint from the CDO**

Are you contemplating a career change? This [video for career switchers](#) by Dawn Graham, author of *Switchers: How Smart Professionals Change Careers and Seize Success*, covers ten common challenges faced by people trying to make their way into a new role or a new field. Whether you are struggling with how to effectively translate your prior experience to differentiate yourself from traditional candidates, how to revitalize your network so outstanding opportunities find you, how to think about salary and negotiation, or even how to make the time to make a change, these hints will help you to think about what’s next with a renewed sense of optimism. If after watching the video you’d like to speak to a career coach about your own search strategy, log into CMS through the Careers page of the Yale SOM Alumni portal to book an appointment.
Titus Kaphar’s vision for NXTHVN combined a new type of art incubator with a community center. Could he find a sustainable way to prepare emerging artists and invigorate a neighborhood? Could NXTHVN provide a model for other cities?
